That's okay, but please try to get it done as soon as you can. If there's a delay, let me know.

Paul

I'm sorry that I haven't gotten back to you sooner. We have been moving and installing new equipment for the last 5 weeks. I will be out of town next week getting training for a new saw. I will be back 1 week from Monday and hope it will be okay to get the form completed then.

Thanks

This is in response to a query ^{asking} ~~about~~
